

# Outdoor Activities Checklist

SPRING

## Before screen time...

*let's spend more time outside!*

More time outdoors may lower a child's risk for myopia. A study looked at kids who spent 40 extra minutes of time outdoors each day. They lowered their risk of getting myopia or more severe myopia (stronger prescription/eyeglasses)<sup>1</sup>.

Name: \_\_\_\_\_

Make art with **sidewalk chalk**

Plant a **garden**
